About the Campaign:

Maddie's® Fund and Humane Network, working with the support of the Dave & Cheryl Duffield Foundation, are launching a statewide campaign to revolutionize the well-being of cats and dogs in Nevada. The three-year project will create a sustainable safety net for cats and dogs through a two-pronged approach: increasing shelters' live-release rates to over 90% in every community and providing access to veterinary care in underserved urban and rural areas.

To do this, we will work closely with animal shelters, government agencies, rescue groups, other organizations and individual animal lovers to combine their strengths to achieve results. We will provide mentoring, networking, and data- and program-development opportunities. We will coordinate public events that celebrate pets and their adoption. We will provide targeted assistance to existing organizations to fill key gaps in lifesaving services. We will cultivate and support new and existing shelter and rescue group leaders. And we will do it all with fun and excitement that inspires and engages communities and individuals.

About the Community:

Humane Network is based in Reno, Nevada, *The Biggest Little City in the World*. A world-class tourist destination with a vibrant arts scene and year-round outdoor activities, Reno has something for everyone. Only 45 minutes away is Lake Tahoe and some of the country's best ski resorts. Reno is also home to numerous hiking, biking, and kayaking options, as well as many casino-resorts and some of the nation's top special events: Burning Man, Hot August Nights, the National Championship Air Races and more. US News and World Report ranks the University of Nevada, Reno as a national Tier 1 university. The area is rapidly becoming a manufacturing and technology hub with Apple, Switch, and Tesla all opening major facilities. Reno rests at a comfortable 4,400 feet above sea level and gets more than 300 sunny days each year. Average high temperatures are 46 degrees in January and December (the coldest months) and 92 degrees in July (the warmest). Learn more at whyreno.org/livability. Note: For some positions, living in Las Vegas or rural Nevada may be appropriate.
